

Have your say: Opportunity for Feedback

Thank you for taking the time to view the Woodheads Energy Park proposal.

We're here today to provide information to local people on how our proposal has developed at this early stage, and we hope you have found your visit useful. All of the information presented today is also available on our website.

Your views are very important to us; we encourage anyone with an interest in the project to provide feedback.

Please take a few minutes to complete the feedback form and leave it in the box provided. Alternatively, you can complete the online form on our website or send your feedback by post. Please ensure you return your views by 18th April.

Keeping in touch!

We are committed to developing this proposal alongside the local community, as a project that can deliver substantial benefits for local people.

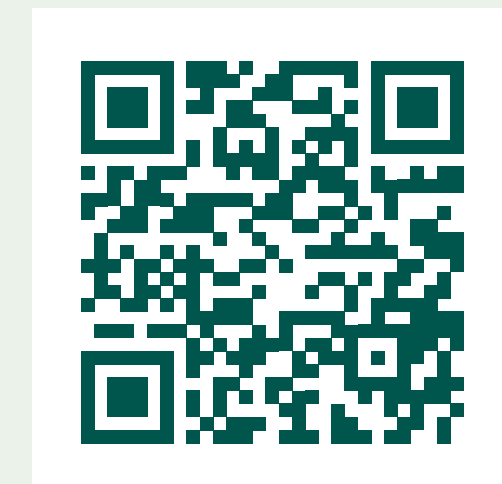

If you have any further queries on the information displayed here today please get in touch at any time:
